Dear Colleagues,

I am writing to you with great pleasure to invite you to join ISSE-14 (International Symposium on Structural Engineering), which will be held in Beijing on Oct.12-15, 2016.

With more than 20 years' development, ISSE has become attractive to many young and middle-aged elite scholars all over the world with its distinct characteristics and features. ISSE-14 is sponsored by the National Natural Science Foundation of China (NSFC), and it will be organized by Beijing Jiaotong University, and is co-organized by Beijing University of Technology. The ISSE-14 provides a constructive symposium for exchanging the latest advances and disseminating knowledge in a broad field of structural engineering.

We are cordially inviting you to ISSE-14 and share your valuable research with us.

Thank you very much for your continued support!  
We look forward to seeing you in Beijing.

With best regards,

Prof. Qingshan Yang  
Chairman of ISSE14 Academic Committee  
Vice Dean of School of Civil Engineering  
Beijing Jiaotong University
